

## MOTHERS FOR CLEAN AIR VOLUNTEER OPPORTUNITIES – Fall 2007

If you are looking for a way to show you care about the environment, Mothers for Clean Air needs your help. We are looking for volunteers to help with staffing our table, conducting children's activities at events, or simply stuffing envelopes. This is a great way to learn about the Houston region's air pollution, and meet others who care about our air. E-mail [mfca@mothersforcleanair.org](mailto:mfca@mothersforcleanair.org) or call 713-526-0110 if you are interested in volunteering.
